Art Unit: 1763

1. The previous allowance of this reissue application is withdrawn for the reasons stated below.

a.) In accordance with 37 CFR 1.175(b)(1), a supplemental reissue oath/declaration under 37 CFR 1.175(b)(1) must be received before this reissue application can be allowed. (i.e.-Applicant's amendment to the claims necessitates the filing of a supplemental oath.)

Claims 1-19, 21-33, 35-49, and 51-58 are rejected as being based upon a defective reissue oath under 35 U.S.C. 251. See 37 CFR 1.175. The nature of the defect is set forth above.

Receipt of an appropriate supplemental oath/declaration under 37 CFR 1.175(b)(1) will overcome this rejection under 35 U.S.C. 251. An example of acceptable language to be used in the supplemental oath/declaration is as follows:

"Every error in the patent which was corrected in the present reissue application, and is not covered by a prior oath/declaration submitted in this application, arose without any deceptive intention on the part of the applicant."

b.) Applicant must supply the examiner with a single prior art form (i.e.-form 1449) which lists all of the prior art which has been considered by the examiner in the issued patent as well as in the present reissue application.

2. Any inquiry concerning this communication should be directed to examiner
